CITY OF DURHAM

2019 Monthly Parking Permit Billing Schedule

PARKDURHAM issues invoices for monthly parking charges on the 5th day of each month. As a valued parking customer, full payment of the monthly parking charges is due on or before the 25th day of each month. For those customers who are enrolled in the recurring payment method, the credit/debit card on file will be charged the full monthly parking amount due on the 25th day of each month.

Please be advised that if full payment of the monthly parking invoice is not received by the last business day of the month, the monthly parking account including parking access cards, will be deactivated. If your account is deactivated, you will be required to either (1) pay the prevailing hourly rate when parking in City parking facilities or (2) pay the full outstanding balance due to reinstate your monthly parking account, dependent on space availability.

As a reminder, the City issues monthly parking accounts on a first-come, first-serve basis dependent on space availability. If your account is deactivated for non-payment, the City reserves the right to issue your monthly parking space to another customer. Due to current parking demand, it is likely that you may not be able to reinstate your monthly parking at your desired parking location. The City reserves the right to place your name on a Wait List and/or assign to you monthly parking in another City-owned parking facility once your account is reactivated.

The following chart has been designed to assist you in managing payment of your monthly parking account.
